Re: 2019 Lake Patrol

Attached, please find the 2019 Lake Patrol Contract with the Corps of Engineers. For over 24 years, the Collin County Sheriff's Office has worked with the Lavon Corps Management to provide additional patrol for Lake Lavon during the summer months at no expense to Collin County. The cost is paid by the Corps of Engineers as per the contract. The partnership allows us to have additional manpower in the lake area during the summer months when activity is highest.

Deputies work this assignment as an overtime job. Non-exempt deputies may work this contract. The contract calls for 616 hours of patrol this year.
