Sheriff Jim Skinner
Collin County Sheriff's Department

Dear Jim:

The IOOF Pride Lodge 228 and Trustees of the IOOF Cemetery Association are greatly appreciative of the support of the Collin County Sheriff Department and the work performed last summer in our Cemetery. The Deputies and their crews made a world of difference working weeks in the Historic IOOF Cemetery cutting down dead trees, trimming dead limbs off other trees, hauling off all the limbs, and chipping piles of underbrush. The cemetery is over 100 years old. We all have friends, neighbors, and loved ones buried there, and we take a lot of pride in keeping it clean and beautiful.

We have read about the V.A.L.O.R. Program and your leadership role as well as that of Judge John Roach Jr. in helping establish a program to help Veterans/First Responders suffering from Post Traumatic Stress. The program aimed at Rehabilitation of Veterans who are unable to handle traumatic events and find themselves in trouble with the law. This program has our support. This is a program that can save lives and have a tremendous impact on our communities and help rehabilitate/save lives.

We appreciate all the Sheriff's Department has done for us, and we would like to assist you in the support of the V.A.L.O.R. Program. Enclosed is our donation of \$2,000.00. Good luck with the program and your future endeavors.

Respectfully yours,

Mack Hurst
