Re: Approval to Utilize ILA's with Ellis County and Dallas County

Texas Bit, operating through Interlocal Agreements (ILA) between the City of Lucas and Dallas County and the City of Lucas and Ellis County will be reclaiming and paving a section of Orr Rd from Forest Grove south approximately 400 ft. Design is currently underway for Collin County and North Texas Municipal Utility District (NTMWD) to reconstruct Orr Rd from Stacy to the NTMWD drive. These two projects will leave a gap of approximately 635 ft. between Forest Grove and the NTMWD drive.

Public Works is requesting Court's approval to utilize the ILA's with Dallas County and Ellis County in accordance with Chapter 791 of the Texas Government Code. This will enable PW to contract with Texas Bit to reclaim the missing 635 ft. section and complete the connection from Stacy to Lucas. Given the limited scope of work and availability of the project's asphalt contractor, PW believes this is the most economical and beneficial solution to complete the rehabilitation project.

Funds are available to accommodate this request from account 1010-75001-0001-68-30-0000-637529.

Should you require additional information, please contact me and I will respond accordingly.
