Re: Donation of Equipment and Material

Public Works requests Commissioners Court's consideration to approve the donation of Portland Cement Super Slurry from Martin Marietta and two days of a reclamation machine and operator from Wirtgen for a total value of \$11,220.

Both of these vendors have requested that Collin County accept these donations to demonstrate the effectiveness of the machine and the material for full depth reclamation of county roads. Public Works plans to utilize the machine and material to reclaim approximately 1,200 ft. of CR 419 immediately north of the Outer Loop.

Should you require additional information, please contact me and I will respond accordingly.
