LMA BILLING OPTIONS (FOR MULTIPLE LOCATIONS ONLY)

OPTION A: Single Invoice. One invoice is sent to the contracting main account representing all libraries/locations covered under the LMA.

OPTION B: Location-Level Invoice. LMA values are invoiced to each office location separately based upon a snapshot of print title inventory on a monthly basis and matched to the LMA charges at the total subscriber level. The location-level invoice automatically adjusts to provide the most accurate valuation of print titles by location in a given month.

OPTION C: Fixed Value By Location. LMA values are established at the inception of the LMA at the location-level based upon the total library valuation at the beginning of the LMA. These amounts are fixed during the term of the LMA. If changes to the underlying library print titles subscriptions occur, charges are NOT adjusted at the location level. Please indicate where the invoices should be sent:

One bill to the main location

Individual bill to each location

Please note: These billing arrangements do not affect Quickview+.
