Re: FY20 Maintenance Contract Renewal Authorization

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal of the current maintenance contract with ESRI-ENVIRONMENTAL SYSTEMS for GIS maintenance and support. The FY20 renewal will be budgeted as part of the non-departmental budget request. The estimated cost of the maintenance agreement is \$53,776.71.

This line item will be included as part of the regular FY20 maintenance request.
