Re: Budget Amendment for Collin County Court at Law One Education and Conference

The current balance of the Education and Conference line item is \$58.97. Our Court Reporter Thomas Mullins is required by JBCC Rule 6.6 to complete 10 CE hours. This will be completed at the 2019 TCRA Annual Convention in Austin this September. I respectfully request that the amount of \$1450.00 be transferred from the Maintenance and Operations account (0001-20010-001-44-30-0000-626558) to the Training and Travel account (0001-20010-0001-44-20-0000-604910) to cover the costs of the conference. I appreciate your consideration and approval of this request.

Sincerely,

C. Q. Mason
