Subject: Budget Adjustment to pay Legal Expense for Right of Way Acquisition along the Outer Loop (project code RAOL001)

We've been in the process of purchasing right-of-way required for the future Outer Loop. Several acquisitions require legal representation which is paid from a legal expense line item. The following budget adjustment is necessary to allocate funds within the appropriate line item.

The following budget adjustment totals \$200,000:

From: (no project code)	To: RAOL001 (Collin/Denton Line to SH289)
5999-77030013-809250	5999-77030013-809261

Approval of the above referenced budget adjustment is requested and we will be available to answer any questions you might have regarding this matter.
