**DATE:** April 23, 2019  
**TO:** Collin County Healthcare Foundation Board of Trustees  
**FROM:** Candy Blair, Healthcare Administrator  
**RE:** Recommendations for FY'19 Health Care Service Agreements

On April 18, 2019, the Collin County Health Care Advisory Board met and reviewed a late application from a non-profit requesting funding to provide health care services. Funding of **\$140,000 for non-profits** was approved during the FY 2019 budget process. As directed by the Board of Trustees, the Health Care Advisory Board made their funding recommendations, based on the following criteria:

Types of services limited for funding:

- Sick medical visits (provided by a licensed health care provider);
- Laboratory and x-ray services;
- Prescription drugs (generic when available); and
- Outpatient medical services (provided by a licensed health care provider).

Recipients of services must be Collin County, Texas residents who are:

- U.S. citizens or Legal Resident Aliens with more than 40 working quarters of U.S. employment; and
- Uninsured and have household incomes at or below 100% of the Federal Poverty Level.

After lengthy discussion and consideration, the Health Care Advisory Board **unanimously voted to recommend \$25,000.00**, in funding for the following non-profit agency:

**Community Health Clinic - \$ 25,000** for sick medical visits, prescription assistance, laboratory and x-ray services.

If approved by the Trustees, the service agreement will be sent out to the non-profit for signature and the service agreement will be placed on court for final approval. Funding for the non-profit agency will begin with the second quarter cycle of the awarded year, beginning 6/1/19. The Advisory Board is also recommending that the remaining **unallocated amount of \$20,000 be held in contingency for non-profits** if critical funding needs are identified during the fiscal year.
