Benefits to County and Citizens

Renewal contract for \$200,351 from the Texas Department of State Health Services for Tuberculosis (TB) services. The county's match as required by the contract is 20% of the total contract. Both the awarded renewal grant funds and the county's match funds will be used toward the existing salaries of several TB Clinic staff members as part of the effort to provide TB services for the community. The performance measures included in the contract are directed towards the TB Program's ability to provide evaluate and treat individuals who are exposed or infected with the TB germ or have active TB disease. The TB Clinic provides Directly Observed Therapy (DOT) to the patients with active, or infectious TB at their home, place of work, or in the clinic. The TB Clinic manages the care of these infected or ill patients from 6 months up to 2 years during the course of their treatment in order to ensure they successfully complete their treatment.
