Kathy,

In the Appriss Service Agreement Section 5.2 states, "not to exceed \$7542.58". The actual amounts for the Quarters are:

1st - \$7542.56
2nd - \$7542.56
3rd - \$7542.56
4th - \$7542.58

Totaling \$30170.26 which is the contracted amount.

Also, we have not received a signed copy of the Appriss Service Agreement from your County. I cannot send out the Invoicing paperwork until it is received. Thanks.

I will contact Appriss. Looks like it a mistake on their end. I will get back with you.

Chris,

I am working on the Appriss court approval for the Vine grant. The Appriss contract shows \$7542.58 per quarter = \$30,170.32. However the OAG contract is approved at \$30,170.26? Can you please advise regarding the difference in contract totals.

Thank you,

Kathy Nagel
