The owners of the land have a plat that has been established and submitted to the City of Lowry Crossing. Many people in the surrounding area have said they do not want the R/V park in their neighborhood. The area already has heavy traffic. The R/V park will have 100 slots within a ten acre area. Ms. Solowski presented two photos of the property and explained her concerns about the R/V park. She asked what she can do in order to put a stop to the R/V park.

Judge Hill said the Court is not posted for discussion on this matter but asked Ms. Solowski to fill out a card so that a staff member from Developmental Services could contact her. Commissioner Hale said he could have a discussion with her after the meeting. (Time: 1:36 p.m.)
