

**Justice Court Precinct 1
Collin County Texas**

MEMORANDUM

TO: Commissioners Court
DATE: January 28th 2020
SUBJECT: Department of Public Safety – Fail to Appear Program

This Court is asking the Commissioners Court to approve the agreement which would continue the partnership between the Department of Public Safety (DPS) and the Collin County Justice Court's.

As many of you know, the Justice Court's use several different programs to gain compliance from person(s) who fail to complete court orders. This request is one of those programs.

The agreement would allow DPS to deny the renewal of a driver's license based on non-compliance issues.

I am available should you have questions.

Respectfully submitted
