4.0 EVALUATION CRITERIA AND FACTORS

- 4.1 The award of the contract shall be made to the responsible proposer whose proposal is determined to be the best evaluated offer resulting from negotiation, taking into consideration the relative importance of price and other factors set forth in the Request for Proposal (RFP) in accordance with Vernon's Texas Code Annotated, Local Government 262.030.

The Evaluation Committee will review all proposals received by the closing date and time as part of a documented evaluation process. For each decision point in the process, the County will evaluate proposers according to specific criteria and will elevate a certain number of proposers to compete against each other.

The County will use a competitive process based upon "selection levels". The County recognizes that if a proposer fails to meet expectations during any part of the process, it reserves the right to proceed with the remaining proposers or to elevate a proposer that was not elevated before. The selection levels are described in the following sections.

LEVEL 1 – CONFORMANCE WITH MANDATORY REQUIREMENTS

The first part of the elevation process is to validate the completeness of the proposal and ensure that all the RFP guidelines and submittal requirements are met. At the County's discretion, proposers may be contacted to submit clarifications or additional information within two (2) business days. Criteria assessed during Level 1:

- Conformance with RFP guidelines and submittal requirements.

LEVEL 2 – DETAILED PROPOSAL ASSESSMENT

The Evaluation Committee will conduct a detailed assessment of all proposals elevated to this level. Proposers elevated to Level 2 may be asked to respond in writing to issues and questions raised by the County, as well as any other cost and implementation planning considerations in the proposal. Criteria evaluated in Level 2:

Points	Evaluation Criteria
20	Firm Overview: Proposer's qualifications, including licenses and certifications, and documented experience and accomplishments in providing similar services. Section (6.4)
55	General Requirements: The thoroughness of the proposal and the extent to which the content of the proposal addresses the required services, as detailed in this RFP.
20	Proposed Personnel: Proposer's ability to provide quality temporary employees who will meet County's requirements. Section (5.14, 6.5.1-6.5.6)

<i>15</i>	Staffing: Proposer's ability to provide adequate staffing and support. Section (6.5.7)
<i>15</i>	Billing: Ease of use of Proposer's billing process. Section (6.5.8)
<i>5</i>	Value Added Services: Additional services provided by Proposer that go above and beyond the County requirements. Section (6.5.9-6.5.10)
75	Total Points

It is anticipated that the Evaluation Committee will elevate proposals scoring at least 53 points (70%) to Level 3.

LEVEL 3 – PRICING

Proposers who are elevated to Level 3 will have their pricing compared and evaluated.

Points	Evaluation Criteria
25	Cost for Services: Markup rate per line item in eBid. Section (5.15.12, 6.7)

LEVEL 4 – REFERENCES, DEMONSTRATIONS, AND INTERVIEWS

The Evaluation Committee may hear oral presentations (if desired). Proposers are cautioned, however, that oral presentations are at the sole discretion of the committee and the committee is not obligated to request a demonstration or interview. The oral presentation is an opportunity for the Evaluation Committee to ask questions and seek clarification of the proposal submitted. The presentation is not meant as an opportunity for the proposer to simply provide generic background information about the corporation or its experience. Thus, the time will be structured with a minimum time for the proposer to present and the majority of time dedicated to addressing questions from the Evaluation Committee. The oral presentations, if held, will be scheduled accordingly and all presenting proposers will be notified of time and date. The County reserves the right to waive the demonstration and interview portion of Level 4 in the evaluation process.

The following criteria will be used to evaluate those proposers elevated:

Points	Evaluation Criteria
20	Demonstration/Interview (optional)
10	Client References: Proposer's past performance in providing similar services. Section (6.6)

30	Total Points
-----------	---------------------

Proposals may be re-evaluated based upon criteria in Levels 2 and 3.

LEVEL 5 –BEST AND FINAL OFFER

Proposers who are susceptible of receiving award may be elevated to Level 5 for Best and Final Offer. Proposers will be asked to respond in writing to issues and questions raised by the County, as well as any other cost and implementation planning considerations in the proposal, and may be invited to present their responses on-site. Proposals may be reevaluated based upon criteria in Level 2, 3, and/or 4.

Based on the result of the Best and Final Offer evaluation, a single proposer will be identified as the finalist for contract negotiations. If a contract cannot be reached after a period of time deemed reasonable by the County, it reserves the right to contact any of the other proposers who have submitted bids and enter into negotiations with them.

“Public Information Act”, Texas Government Code Chapter 552. After approval by Collin County, the proposal material becomes part of the contract between the vendor and Collin County. Upon signing of a contract, proposals and contracts are subject to the State of Texas “Public Information Act”. If any information is to be considered proprietary, the proposer must place it in a separate envelope and mark it “Proprietary Information”. The State of Texas Attorney General retains the final authority as to the extent of material that is considered proprietary or confidential.

- 5.6 **BINDING EFFECT:** This resulting agreement shall be interpreted and enforced under the laws and jurisdiction of the State of Texas. Collin County’s RFP, the proposer’s proposal in response to the RFP, and any additional negotiated conditions reduced to writing will become part of the final contract between the successful proposer and Collin County. This agreement then constitutes the entire understanding between the parties and is not subject to amendment unless agreed upon in writing by both parties hereto. By mutual agreement, the parties may, from time to time, promulgate scope of service documents to define the scope of services. Such scope of service documents will be incorporated into the contract agreement. Collin County reserves the right to accept or reject any/all of the price redetermination as it deems to be in the best interest of the County.
- 5.10 **FUNDING:** Funds for payment have been provided through the Collin County budget approved by the Commissioners Court for this fiscal year only. State of Texas statutes prohibit the County from any obligation of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the current Collin County fiscal year shall be subject to budget approval.
- 5.11 **APPROXIMATE USAGE/VALUE:** Any information herein is provided as an estimate of volume based on past history. This data is provided for the general information of vendors and is not guaranteed to be relied upon for future volumes. Estimated annual quantities are given for each
