Re: Contract Amendment – Tyler Technologies – Tyler Jury Manager

The Collin County Information Technology department and the Collin County District Clerk are requesting approval of an amendment to the May 15, 2019 Amendment to add Odyssey Jury. This request reflects a pivot to Tyler Jury Manager (formerly Courthouse Technologies), which was recently acquired by Tyler Technologies and represents functionality and usability superior to that of the intended Odyssey Jury procured in the May 15, 2019 Amendment. Funding for the new Jury system was approved in the FY2019 Budget.

First year SaaS fees, messaging fees, and professional services costs will be invoiced by Tyler Technologies in the amount of \$163,782 and will be funded by BDM2301-0001-23030-0001-809004. Thereafter, annual SaaS fees and messaging fees will be paid through the IT annual maintenance budget.
