RE: Welch Allyn Rebate Program

Thank you for your participation in Welch Allyn's MC16573 McKesson Promo. Your purchase of 1 ea: MLBUR280-C1X ECG qualifies you for a \$ 300 rebate.

In accordance with federal healthcare regulations, if you are required to report the cost of the Welch Allyn product you purchased in any cost report or claim for reimbursement you submit to Medicare, Medicaid or another federal health care program, then you must account for this rebate in that report. You would account for the rebate by reducing the price you paid for the purchased Welch Allyn product by the amount of the rebate.

You should retain this notice with your invoice and other business records that document the cost of the purchased Welch Allyn product, and provide it in response to any request from the US Department of Health and Human Services or a state agency administering funds from a federal healthcare program.

Once again, thank you for your participation in our rebate program.
