RE: Collin County Technology Image Refresh Project

Dear Travis Franklin,

Please accept this letter as an irrevocable confirmation that the Assets detailed below will be returned to EMC Corporation, Dell Inc. or one of its affiliates ("you") at the Location noted below, and that on the date you collect the Assets, Collin County shall transfer to you full legal title in the Assets, free from any third party rights or security interests, as part of the technology refresh project.

Collin County confirms that the Assets are in good working order and that prior to the date of collection, Collin County shall completely and permanently erase all personal information, proprietary information and confidential data from the Assets in a manner that does not degauss or damage the Assets.

Collin County will continue to fully insure the Assets until they have been removed by you from the Location.

The date of collection shall be on or before 4/3/21.

Details of Assets are as below:

Serial Numbers	Manufacturer	Model	Capacity	Specification	Location
721704000063, 721704000064	NetApp	FAS8200	480 TBs	60 8TB Drives	McKinney, TX
	NetApp	FAS8200	192 TBs	48 4TB Drives	McKinney, TX
	NetApp	FAS8200	23 TBs	24 960 GB Drives	McKinney, TX

Within 14 days, we will write to confirm the appropriate details for collection and inform you of any security implications in the collection process.

Yours sincerely,

(Customer's Personnel signature)
Collin County
