Re: Constable In-Car Video – Wireless Routers

The Collin County Information Technology Department and Collin County Constable Division request approval for the purchase of Sierra Wireless routers, provided by GTS Technology Solutions, Inc., to transmit video data from the Constable in-car camera system to cloud storage.

The total cost for the devices is \$27,941.14 and will be funded by TI03JUS 4401-060090011-809002.
