Re: Budget Adjustment

I request Commissioners' Court consideration and any action regarding budget adjust of \$70,000 from account 0001-50030-0001-64-30-0000-626445 to account 0001-50030-0004-64-30-0000-626440. Due to an increased number of GPS participants during the COVID-19 pandemic, account 0001-50030-0004-64-30-0000-626440 will need increased funds. At this time, out of county housing, account 0001-50030-0001-64-30-0000-626445 has surplus funds, due to counties not accepting out of county transfers during the COVID-19 pandemic.
