Re: Office of Juvenile Justice & Delinquency Grant Application

The Juvenile Probation Department respectfully requests commissioners court consideration and approval to apply for a grant through the U.S. Department of Justice, Office of Juvenile Justice & Delinquency Division. If awarded, grant funding will be used to support the department and juvenile court's collaborative, evidence-based specialty court program called GEMS (Girl's Empowerment, Mentoring, and Support) to pay for program activities, outpatient and inpatient clinical services, and electronic monitoring for program participants. The maximum award is not to exceed \$425,000.00 and does not require a county match.

Respectfully,

H. Lynn Hadnot, Director  
Collin County Juvenile Services
