### PETITION PROCESS TO RENAME A PRIVATE ROAD

Dear Collin County Property Owners:

The adjoining property owners have the option of naming a private road: this requires submittal of the enclosed Private Road Name Petition to this office, with the signatures of at least one owner of all the adjoining properties.

**Very Important:** There cannot be duplication of existing road names – before filling out the petition, please call this office (972-548-4192, or metro 972-424-1460 ext. 4192) for verification of your road name choices.

- The road name "Huff Hideaway" has been validated -

The next available session of the Collin County Commissioners Court will be on: Monday, June 1, 2020.

To make this session, all petitions for a verified roadname must be received by Monday, May 18. If faxed, please send the original signed petition by mail as soon as possible.

Please don't make any changes yet – within 2 weeks after approval by the commissioners court, an address correction letter will be sent to you, the post office, and all emergency services.

The County will provide and install a blue and white metal road sign and post. Signage repairs or replacements will then be the responsibility of the adjoining property owners.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

Please email or call the GIS/9-1-1 Rural Addressing office with any questions.

Sincerely,

Ramona Luster
