NEMO-Q Training Policy
 NEMO-Q has an "as long as it takes" training policy. As long as management staff makes the personnel available to us, we will stay on site until all employees, supervisors and managers are comfortable with using the system on their own. We will train as many employees as you wish (at the time of installation) and the cost of the training is included in the system. Further, NEMO-Q will plan for online follow-up training for new employees and managers whenever needed.

Additional fees apply if permits or third party labor is mandated
 Customer is responsible for any taxes or local user fees
