Complete each Table as applicable to your Proposed Project. Costs must be broken out in Tables to a degree that is sufficient to determine if costs are reasonable, allowable, and necessary for the successful performance of the grant project. Costs will be reviewed for compliance with UGMS and federal grant guidance found in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

Costs claimed as direct costs that appear indirect in nature or budgets claiming no indirect costs will be scrutinized for accuracy. The FVA may ask the applicant to reclassify costs as indirect if the support provided does not meet the above criterion.
