

Interlocal Jail Services Agreement

This agreement is entered into on the 12 day of November, 2018, by and between the Police Department of Baylor Scott & White and Collin County, a political subdivision of the State of Texas.

Recitals

1. The County operates the Collin County Detention Facility, including the Minimum Security facility, (the Detention Facility or County Jail) under chapter 351 of the Local Government Code and part 9 of title 37 of the Texas Administrative Code.
2. The County generally operates the County Jail for the confinement of persons accused or convicted of a violation of state law. *See* Code of Crim. Proc., arts. 2.17–2.18. But the Sheriff may also accept custody of persons accused of class C misdemeanors. *See* Tex. Att’y Gen. Op. No. JM-0151 (1984).
3. The Police Department desires to obtain certain jail services from the County to be performed for the Police Department to insure the confinement of persons accused or convicted of a class C misdemeanor or other violation of a municipal ordinance.

Therefore, under the authority of the Interlocal Cooperation Act, Chapter 791, Texas Government Code, the parties agree as follows:

Section 1. Definitions

1.01 Jail Services

The term “jail services” means all services legally necessary to provide for the confinement in the County Jail of persons accused or convicted of an offense.

Section 2. Term

2.01 Term

As its term, this Agreement will last between October 1, 2018 and September 30, 2019. The parties expect to renew the Agreement for October 1, 2019 to September 30, 2020. In the event that such a renewal is delayed, however, this Agreement will automatically renew for another fiscal year under the terms set out here.

2.02 Termination

A party may terminate this Agreement for any reason by giving 90 days written notice to the other party.

Section 3. Services

3.01 Services

The County agrees to provide to Police Department jail services necessary for the confinement of persons accused or convicted of an offense, subject to the availability of space at the County jail at the time the Police Department requests jail services. Space will be unavailable when the County Jail is filled to 100% of its capacity and unable to accept additional inmates.

The Jail Administrator may determine when the County Jail is filled to 100% capacity and unable to accept additional inmates. The Jail Administrator will consider the jail's population, expected incoming inmates (e.g. under other jail-services agreements), expected releases, the gender and security-classification mix of the inmate population, inmates' health restrictions, space or cells needed to house and care for problematic or vulnerable inmates, and state law, including the rules and regulations of the Texas Commission on Jail Standards. At times, particular pods or cells may be unavailable for some reason, such as maintenance which shall be taken into account in determining whether the County Jail is filled at 100% of its capacity.

3.02 Persons Accepted

- (1) The Detention Facility will accept persons arrested via a Class C warrant, if the detainee is presented by a Peace Officer with the original warrant, a certified or facsimile copy of a valid arrest warrant, or if the jail staff receives a teletype or email confirmation of the warrant.
- (2) The Detention Facility will allow any Peace Officer to execute any Class C warrant on any detainee in the facility's custody, if the warrant is an original, certified, facsimile, or similarly reliable copy, or if the jail staff receives teletype or email confirmation.
- (3) The Detention Facility will accept all on-view or warrantless arrests of Class C violators. An arresting officer must provide the Detention Facility with (i) the time of arrest and (ii) a properly completed and signed probable-cause affidavit for each person arrested, for compliance with art. 17.033(a) of the Code of Criminal Procedure. Alternatively, an arresting officer must provide an original, certified, facsimile, or similarly reliable copy or confirmation of a magistrate's determination that probable cause exists to believe the arrestee committed the offense as required by art. 17.033(a) of the Code of Criminal Procedure.
- (4) When a defendant has been convicted of a Class C misdemeanor, a Judgment & Sentence is entered against the defendant under to art. 45.041

of the Code of Criminal Procedure. If the defendant defaults in the discharge of the judgment, a Judge may order the defendant confined in a jail. The Detention Facility will accept defendants on such jail commitments only if they are accompanied by a certified copy of the Judgment, Sentence and Order that complies with art. 45.046 of the Code of Criminal Procedure, and that states in part:

- a. "the defendant is not indigent and the defendant has failed in good faith to discharge the fines and costs" or
- b. "the defendant is indigent and has failed to make a good faith effort to discharge the fine and costs under Article 45.049; and could have discharged the fine and costs under Article 45.049 without experiencing any undue hardship."

Section 4. Non-Exclusivity of Service Provision

The County may contract to perform services similar or identical to those specified in this Agreement for other municipalities, utility districts, or governmental entities as the County, in its sole discretion, sees fit.

Section 5. Compensation

5.01 Basic Charge

The Police Department will pay the County a Basic Charge of \$94.47 per day or part of a day per inmate that the Police Department requests be confined on the Police Department's charges, and who is confined, in the County Jail. This Basic Charge, along with Additional Charges under sections 5.02–5.04, will fairly compensate the County. *See* Gov't Code, § 791.011(e).

5.02 Additional Charges

In addition to paying the Basic Charge, the Police Department will reimburse the County for expenses associated with providing jail services to inmates held on the Police Department's charges (the Police Department's inmates). The Police Department will reimburse the County for providing health-care services, including ambulance, medical, hospital, dental, and psychiatric or psychological services to the Police Department's inmates. Where reasonable and consistent with the County's legal obligations to care for inmates, including providing them with first aid and emergency and non-emergency medical care and care and monitoring for an at-risk inmate, the County will take reasonable steps to confer with the Police Department about the reasonably foreseeable costs of maintaining the Police Department's inmates in the Detention Center before incurring an undue balance of such costs.

For conference purposes, "the Police Department" means an officer with sufficient authority to make binding decisions about an inmate's care or whether to issue a personal recognizance bond with respect to an inmate.

In provisions of the Sandra Bland Act, the legislature directed the Texas Commission on Jail Standards to adopt rules and procedures with regard to a county jail providing access to a mental-health professional through a telemental health service 24 hours a day, access to a health professional at the jail or through a telehealth service 24 hours a day, or, if a health professional is unavailable at the jail or through a telehealth service, provide for the Police Department's inmate to be transported to access a health professional. *See* Sandra Bland Act, S.B. 1849 (2017), 85th Reg. Sess., § 3.05 (codified at Gov't Code, § 511.009(a)(23)); *id.* § 3.10 (requiring the Commission to adopt rules and procedures under § 511.009(23) no later than Sept. 1, 2018, and requiring a county jail to comply with such rules and procedures on and after September 1, 2020). It is possible that Collin County—with advice from its health-services provider or other expert—will voluntarily take steps to comply with such rules and procedures or provide these types of access to inmates before September 1, 2020. If so, then Collin County will confer with the Police Department about its plans to comply with the Sandra Bland Act, regulations resulting from the Act, or similar law, and the parties will negotiate terms for the Police Department to reimburse the County for reasonable costs of providing such services to the Police Department's inmates.

5.03 Billing

The County will bill the Police Department monthly for jail services. The Police Department will pay the bills under Chapter 2251 of the Government Code, including interest on payments that are not timely made as provided therein.

5.04 Cost of Additional Charges

The County will charge the Police Department for services under section 5.02 of this Agreement at the cost to the County of providing those services to the inmates. The County will provide reasonable documentation or other support of such charges upon the Police Department's request.

5.05 Source of Payment

The Police Department will make all payments required under this Agreement from current revenues available to the Police Department. *See* Gov't Code, § 791.011(d)(3).

Section 6. Lawful Arrest and Detention

The Police Department will comply with all federal, state and local laws regarding conditions precedent to arrest and detention including, but not limited to, determinations of probable cause and other requirements necessary for lawful arrest and detention. Further, the Police Department is solely responsible for compliance with pre-detention procedures and that the Police Department will hold the County harmless from any liability, including, but not limited to, obligations, costs, claims, judgments, attorneys' fees and litigation costs, and attachments, caused by or flowing from the Police Department's alleged or actual failure to comply with conditions precedent to lawful arrest and detention.

This Agreement will not be amended or modified other than in a written agreement signed by the parties. No party will try to enforce a purported amendment that is not written and properly approved by each party's governing body under section 791.011(d) of the Government Code.

Section 10. Controlling Law

Texas law will govern this Agreement and the parties' claims and defenses arising out of, or related to, their relationship and performances under this Agreement, regardless of a forum's choice-of-law rules.

Section 11. Notices

11.01 Form of Notice

Section 12. Resolution of Disputes

If the Parties' attempts to resolve their disagreements through negotiations fail, the disputes will be mediated by a mutually acceptable third party to be chosen by the County and the Police Department within fifteen days after written notice by one Party to the other demanding mediation under this section. The County and Police Department will share equally in the costs of the mediation. This section's purpose is to reasonably ensure that the County and the Police Department will in good faith use mediation or another non-binding dispute resolution process before pursuing litigation. A Party's participation in mediation or another non-binding dispute resolution process will not be construed as a waiver by a Party of (1) any rights, privileges, defenses, remedies or immunities available to a Party; (2) a Party's termination rights; or (3) other termination provisions or expiration dates provided herein. In the event of a lawsuit or any form of ADR, each party will bear its own attorney's fees and expenses.

Section 14. Counterparts

All obligations of each party under this Agreement are conditions to further performance of the other party's continued performance of its obligation under the Agreement.

No Party shall have any authority to act for, or to assume any obligations or responsibility on behalf of, the other party except as may be, from time to time, agreed upon in writing between the Parties or as otherwise expressly provided in this Agreement.
