Re: Sale of Surplus Equipment

Hunt County Precinct 3 Commissioner Phillip Martin has expressed an interest in purchasing three retired trucks earmarked for auction from Public Works. The three units are:

51956 – 2009 International Dump Truck  
51959 – 2009 International Dump Truck  
47536 – 2007 International Water Truck

Equipment Services has established a sale price of \$25,000 each which is congruent with comparable equipment sold at auction recently. Public Works requests Commissioners Court's consideration and approval to sell the three aforementioned units to Hunt County Pct. 3.

Should you require additional information, please contact me and I will respond accordingly.
