Re: FY21 Maintenance Contract Renewal Authorization

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal of the current contract with Global*Tel Link for video visitation system maintenance and support. The contract renewal will extend the contract period from 8/12/2020 through 9/30/2021. The FY21 renewal will be budgeted as part of the non-departmental budget request and will be \$50,560.

This line item will be included as part of the regular FY21 maintenance request.
