To: Commissioners Court

From: Clarence Daugherty, P.E., Director of Engineering

Subject: Amendment to Advanced Funding Agreement with TxDOT for additional RTR Funds for the construction of Frontier Parkway (CR5)

The Commissioners Court, on April 27, 2020, approved an agreement with TxDOT for RTR funding that NCTCOG offered several years ago - \$3,995,823. More recently NCTCOG agreed to an additional \$1,061,199 to allow us to build the bridge over the BNSF Railroad to full width. The attached is an amendment to the agreement to add the \$1,061,199 to the project.

It is requested that Commissioners Court approve the attached amendment, authorize Judge Hill to execute it and authorize a budget amendment to move the funds from the revenue account in which it will be placed when received to an expenditure account so it can be used for the project. Those accounts are shown below.
