If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.
- G. Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure shall promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice shall set forth the extent and duration thereof. The Party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date. However, if non-performance continues for more than thirty (30) days, the System Agency may terminate this Contract immediately upon written notification to Local Government.
- H. This Contract, its integrated Attachment(s), and any purchase order issued in conjunction with this Contract constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in such Attachment(s) and/or purchase order shall be harmonized with this Contract to the extent possible. Unless such integrated Attachment or purchase order specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the terms of this Contract.

- I. Neither party shall assign or subcontract the whole nor any part of the contract, including any right or duty required under it, without the other party's prior written consent. Any assignment made contrary to this shall be void.
- J. This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract. If the Contract is not executed by the System Agency within thirty (30) days of execution by the other Party, this Contract shall be null and void.
- K. Pursuant to Chapter 2259 of the Texas Government Code entitled, "Self-Insurance by Governmental Units," Each Party is self-insured and, therefore, is not required to purchase insurance.

HHS will respond to all such requests, unless Contractor is Required by Law to respond or HHS has given prior written consent for Contractor to respond to and account for all such requests.

(B) With respect to ALL Confidential Information, Contractor shall:

Contractor shall provide name and current address, phone number and e-mail address for such designated officials to HHS upon execution of this DUA and prior to any change. ARTICLE 5. GENERAL PROVISIONS

Section 5.01 Ownership of Confidential Information

Contractor acknowledges and agrees that the Confidential Information is and shall remain the property of HHS. Contractor agrees it acquires no title or rights to the Confidential Information.

Section 5.02 HHS Commitment and Obligations

HHS will not request Contractor to create, maintain, transmit, use or disclose PHI in any manner that would not be permissible under applicable law if done by HHS.

Section 5.03 HHS Right to Inspection

At any time upon reasonable notice to Contractor, or if HHS determines that Contractor has violated this DUA, HHS, directly or through its agent, will have the right to inspect the facilities, systems, books and records of Contractor to monitor compliance with this DUA. For purposes of this subsection, HHS's agent(s) include, without limitation, the HHS Office of the Inspector General, the Office of the Attorney General of Texas, the State Auditor's Office, outside consultants, legal counsel or other designee.

Section 5.04 **Term; Termination of DUA; Survival**

This DUA will be effective on the date on which Contractor executes the Base Contract and will terminate upon termination of the Base Contract and as set forth herein. If the Base Contract is extended, this DUA is extended to run concurrent with the Base Contract.

(A) If HHS determines that Contractor has violated a material term of this DUA; HHS may in its sole discretion:

- (1) Exercise any of its rights including but not limited to reports, access and inspection under this DUA and/or the Base Contract; or
- (2) Require Contractor to submit to a corrective action plan, including a plan for monitoring and plan for reporting as HHS may determine necessary to maintain compliance with this DUA; or
- (3) Provide Contractor with a reasonable period to cure the violation as determined by HHS; or
- (4) Terminate the DUA and Base Contract immediately and seek relief in a court of competent jurisdiction in Travis County, Texas.

Before exercising any of these options, HHS will provide written notice to Contractor describing the violation and the action it intends to take.

(B) If neither termination nor cure is feasible, HHS shall report the violation to the applicable regulatory authorities.

(C) The duties of Contractor or its Subcontractor under this DUA survive the expiration or termination of this DUA until all the Confidential Information is Destroyed or returned to HHS, as required by this DUA.

Section 5.05 **Injunctive Relief**

(A) Contractor acknowledges and agrees that HHS may suffer irreparable injury if Contractor or its Subcontractor fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.

(B) Contractor further agrees that monetary damages may be inadequate to compensate HHS for Contractor's or its Subcontractor's failure to comply. Accordingly, Contractor agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

Section 5.06 **Indemnification**

To the extent permitted by the Texas Constitution, laws and rules, and without waiving any immunities or defenses available to CONTRACTOR as a governmental entity, Contractor shall indemnify, defend and hold harmless HHS and its respective Executive Commissioner, employees, Subcontractors, agents (including other state agencies acting on behalf of HHS) or other members of HHS' Workforce (each of the foregoing hereinafter referred to as "Indemnified Party") against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by Contractor or its employees, directors, officers,

Subcontractors, or agents or other members of Contractor's Workforce. The duty to indemnify, defend and hold harmless is independent of the duty to insure. Upon demand, Contractor shall reimburse HHS for any and all losses, liabilities, lost profits, fines, penalties, costs or expenses (including costs of required notices, investigation, and mitigation of a Breach, fines or penalties imposed on an Indemnified Party by a regulatory authority, and reasonable attorneys' fees) which may be imposed upon any Indemnified Party to the extent caused by and which results from the Contractor's failure to meet any of its obligations under this DUA. Contractor's obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA.

Section 5.07 Insurance

(A) As a governmental entity, CONTRACTOR either maintains commercial insurance or self-insures with policy limits in an amount sufficient to cover CONTRACTOR's liability arising under this DUA. CONTRACTOR will either require that the policy name HHS as an additional insured or assign any payments from the insurer related to CONTRACTOR's liability arising under this DUA directly to HHS. HHSC reserves the right to consider alternative means for CONTRACTOR to satisfy CONTRACTOR's financial responsibility under this DUA. Nothing herein shall relieve CONTRACTOR of its financial obligations set forth in this DUA if CONTRACTOR fails to maintain insurance.

(B) Contractor shall provide HHS with written proof that required insurance coverage is in effect, at the request of HHS.

Section 5.08 Entirety of the Contract

This DUA is incorporated by reference into the Base Contract and, together with the Base Contract, constitutes the entire agreement between the parties. No change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

Section 5.09 Automatic Amendment and Interpretation

Upon the effective date of any amendment or issuance of additional regulations to any law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHS and/or Contractor remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHS and Contractor to comply with laws applicable to Confidential Information.

Section 5.10 Notices; Requests for Approval

All notices and requests for approval related to this DUA must be directed to the HHS Chief Privacy Officer at privacy@hhsc.state.tx.us.
