DISCUSSION AND ACTION

Approval of an Operation Connectivity Interlocal Acquisition Agreement with Region 4 Education Service Center to Procure Technology Hardware and Services

PRESENTER

Dan Armstrong - Assistant Superintendent for Technology Services

Randy McDowell - Chief Financial Officer

DESCRIPTION

District Policy CH (LEGALI) authorizes the use of cooperative purchasing to increase efficiency and effectiveness. Texas Government Code Section 791.003 and Local Government Code 271 grant the legal authority to form and participate in purchasing cooperatives.

This Region 4 Interlocal Agreement will allow the District to purchase technology goods and services from Region 4 Education Service Center (ESC 4). The Texas Education Agency has partnered with ESC 4 to provide districts with a low-cost solution for technical devices and Internet Access called Operation Connectivity. This low-cost solution is offered for some preselected products/services, such as Internet hotspots, Chromebooks, and iPads. In addition, the state is subsidizing some of the cost with federal funds to help make these technology purchases affordable. The District is forecasting a purchase of 1,000 hotspots, 500 Chromebooks and 100 iPads using this program.

BUDGET IMPACT

The funding source will be 2016 Bond funds and the Technology operating budget. The budget impact is approximately \$183,050. Purchase cost is \$366,100, with an estimated 50% refund after purchase based on the number of economically disadvantaged students in the District.

This Operation Connectivity Interlocal Acquisition Agreement ("Agreement") contains key information and terms regarding your LEA's participation in the Operation Connectivity bulk purchase process. The following addendums are incorporated into this Agreement:

1. State Funding Allocation Methodology Addendum (*attached*)
2. EDGAR Certification Addendum (*attached – to be executed by Region 4*)
3. Grant Program Guidelines (*attached*)
4. LEA Order Logistics Confirmation (*separate document*)
5. Additional Quantity Request (*separate document*)

Due the urgency required to maintain our position within our vendors' supply chain, **please submit the completed and signed copy of this Agreement [as well as your Additional Quantity Request Addendum] through DocuSign by COB Tuesday, August 4, 2020.** Should your LEA not be able to provide signed approval of this Agreement by this date, your order will unfortunately have to be cancelled, and this Agreement will automatically terminate without further action by the parties.

Below you will find your LEA's allocated quantities per provider / OEM ("Vendor") and model. These quantities are based on two inputs: 1) your LEA's requested quantities as included in your LEA's bulk order survey / form, 2) the total dollar value for which the state funding program is able to cover 50% of your LEA hotspot / device costs, as based on the state's allocation methodology (see State Funding Allocation Methodology Addendum).

Any change to the quantities allocated below must be requested by emailing customerservice@teabulkorder.com with your revisions. We will then review requested revisions and send you an updated Agreement. Please note that allocated quantities can only be decreased. Any proposed revisions to increase quantities for any Vendor or model will be rejected.

For quantity needs above what the state has allocated your LEA [capped at your LEA's *remaining quantity* as listed in your Additional Quantity Request Addendum], please include this in your LEA's Additional Quantity Request Addendum. If your submitted Additional Quantity Request Addendum is accepted, it will become a binding part of the Agreement. Your Additional Quantity Request Form must be submitted by Tuesday, August 4, 2020. Failure to submit by the deadline will result in your Additional Quantity Request Addendum being rejected.

ADDENDUM ONE

State Matching Allocation Methodology

Overview

On July 17, 2020, Governor Abbott, Lt. Governor Patrick, Speaker Bonnen, Senate Finance, and House Appropriations Committee Chairs announced eLearning funding For Texas students. The State of Texas will allocate \$200 million in Coronavirus Aid, Relief, and Economic Security (CARES) Act funding to the Texas Education Agency (TEA) for the purchase of eLearning devices and home internet solutions to enable remote learning during the COVID-19 pandemic for Texas students that lack connectivity.

The majority of the \$200 million in CARES Act funding will be allocated to LEAs through matching funds for purchases of hotspots (with data plans) and devices through a statewide bulk purchasing event. This document provides the methodology for the allocation of these CARES Act funds. Additional state dollars may be available through a reimbursement program. More details will be released as this is designed. The TEA is the passthrough agency for this grant. Region 4 Education Service Center shall serve as the grant recipient and shall conduct the bulk purchases on behalf of LEAs.

Funding Allocation – Bulk Purchase Matching Funds

LEAs will be eligible for fund matching of 50% of the expenditures incurred through the statewide bulk purchasing event. However, the level of LEA fund matching for purchases made through the statewide bulk purchasing event will be contingent on the number of economically disadvantaged students in the LEA.¹ The amount of fund matching will not exceed 50% of LEA expenditures to purchase device and/or hotspots for the number of economically disadvantaged students in the LEA. The costs associated with device and hotspot purchase volume that exceeds the number of economically disadvantaged students in an LEA will not be eligible for fund matching.²

If an LEA is purchasing a quantity of devices and/or hotspots less than the number of economically disadvantaged students, the LEA will still receive the full 50% fund matching for those expenditures.

¹ The number of economically disadvantaged students in an LEA are calculated as the PEIMS ages 3-21 low income students (eligible for free lunch, reduced price lunch, or federal aid programs), from the October 2019 fall collection, released for 2020-2021 ESSA funding formulas.

² If an LEA orders more devices and/or hotspots than they have economically disadvantaged students, the LEA will still have the opportunity to order at the bulk purchase order's discounted rates, but those expenditures will not be eligible for fund matching.

For example (figures illustrative):

<p>District A orders device volume <u>equal</u> to economically disadvantaged (eco dis.) enrollment</p> <ul style="list-style-type: none">• Enrollment: 1000 total students; 500 economically disadvantaged students• District A is capped at 500 total devices for this program (due to percent eco dis.)• Bulk order: 500 devices x \$200 cost per device = \$100,000 LEA spend• LEA spend eligible for fund matching: up to 500 students x \$200 cost per device = up to \$100,000• TEA fund matching: up to \$50,000• LEA responsibility: \$50,000
<p>District B orders device volume <u>greater</u> than economically disadvantaged enrollment</p> <ul style="list-style-type: none">• Enrollment: 1000 total students; 500 economically disadvantaged students• District B is capped at 500 total devices for this program (due to percent eco dis.)• Bulk order: 750 devices x \$200 cost per device = \$150,000 LEA spend• LEA spend eligible for fund matching: up to 500 students x \$200 cost per device = up to \$100,000• TEA fund matching: up to \$50,000• LEA responsibility: \$100,000
<p>District C orders device volume <u>less</u> than economically disadvantaged enrollment</p> <ul style="list-style-type: none">• Enrollment: 1000 total students; 500 economically disadvantaged students• District C is capped at 500 total devices for this program (due to percent eco dis.)• Bulk order: 250 devices x \$200 cost per device = \$50,000 LEA spend• LEA spend eligible for fund matching: up to 250 students x \$200 cost per device = up to \$50,000• TEA fund matching: up to \$25,000• LEA responsibility: \$25,000

ADDENDUM TWO

EDGAR CERTIFICATIONS

(TO BE EXECUTED BY REGION 4)

The following certifications and provisions are required and apply when the Local Education Agency ("LEA") expends federal funds for any contract. **Accordingly, the parties agree that the following terms and conditions apply, as applicable, in all situations where Region 4 has been paid or will be paid with federal funds:**

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when LEA expends federal funds, LEA reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Pursuant to Federal Rule (B) above, when LEA expends federal funds, LEA reserves the right to immediately terminate any agreement in excess of \$10,000 in the event of a breach or default of the agreement by Region 4 in the event Region 4 fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract. LEA also reserves the right to terminate the contract immediately, with written notice to Region 4, for convenience, if LEA believes, in its sole discretion that it is in the best interest of LEA to do so. Region 4 will be compensated for work performed and accepted and goods accepted by LEA as of the termination date if the contract is terminated for convenience of LEA. The Contract is not exclusive and LEA reserves the right to purchase goods and services from other vendors when it is in LEA's best interest.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when LEA expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or

subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when LEA expends federal funds during the term of an award for all contracts and subgrants for construction or repair, Region 4 will be in compliance with all applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when LEA expends federal funds, Region 4 certifies that Region 4 will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by LEA.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by LEA, Region 4 certifies that during the term of an award for all contracts by LEA resulting from this procurement process, Region 4 agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to Federal Rule (G) above, when federal funds are expended by LEA, Region 4 certifies that during the term of an award for all contracts by LEA resulting from this procurement process, Region 4 agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by LEA, Region 4 certifies that during the term of an award for all contracts by LEA, Region 4 certifies that neither it nor its principals is presently debarred, suspended,

proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by LEA, Region 4 certifies that during the term and after the awarded term of an award for all contracts by LEA, Region 4 certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by LEA for any contract, Region 4 certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. Region 4 further certifies that it will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When LEA expends federal funds for any contract, Region 4 certifies that it will comply, as applicable, with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

CERTIFICATION OF EQUAL EMPLOYMENT STATEMENT

It is the policy of LEA not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. Region 4 agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Region 4 further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract.

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

LEA has a preference for domestic end products for supplies acquired for use in the United States when spending federal funds (purchases that are made with non-federal funds or grants are excluded from the Buy America Act). Region 4 certifies that it is in compliance with all applicable provisions of the Buy America Act.

Region 4 agrees that the District's Inspector General or any of their duly authorized representatives shall have access to any books, documents, papers and records of Region 4 that are directly pertinent to Region 4's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Region 4's personnel for the purpose of interview and discussion relating to such documents.

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTS

Region 4 agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

REGION 4 AGREES TO COMPLY WITH ALL APPLICABLE FEDERAL, STATE, AND LOCAL LAWS, RULES, REGULATIONS, AND ORDINANCES. IT IS FURTHER ACKNOWLEDGED THAT REGION 4 CERTIFIES COMPLIANCE WITH ALL APPLICABLE PROVISIONS, LAWS, ACTS, REGULATIONS, ETC. AS SPECIFICALLY NOTED ABOVE

A Guide to Operation Connectivity: How Municipalities and Counties Can Help

1.8 million students
lack technology
to learn from
home

With the rise of COVID-19 in Texas, **remote learning has become an essential part of schools' academic offering.** Yet, it is estimated that **over 1.8 million students in Texas lack the connectivity technology to learn from their homes.** This connectivity gap is a significant barrier to academic success and economic empowerment for these students.

In response to this critical need, Governor Abbott and Texas legislative leaders have allocated \$200M in CARES Act Coronavirus Relief Fund (CRF) funding to match \$200M in local district funding. This combined \$400M in bulk buying power will be used to cover the purchases of internet solutions such as hotspots and e-learning devices for Texas' School districts, with the goal of providing connectivity technology for all students who would not otherwise have them.

The **Operation Connectivity bulk order program** may leverage the majority of these funds to put over 1 million e-learning devices and nearly 500,000 hotspots in students' homes to enable learning, significantly reducing the connectivity gap.

Even with this historic investment, **we may still have hundreds of thousands of Texas students who lack reliable internet access.**

Texas received \$11.24 billion in federal CARES Act CRF funding, of which over \$5 billion has been given to counties and cities to determine how they should be spent.

LEAs are encouraged to work with their cities and counties to allocate some portion of their local CRF funds to reduce their cost.¹

Details of the local CRF match reimbursement process are described on the next page.

By assisting school systems with their local match **funding right now**, CRF contributions can enable purchases of devices and hotspots at **steeply discounted rates** that vendors have made available specifically for orders placed through Operation Connectivity.

Local governments will see a **dramatic return on this investment**, including smart procurement, increased access to online learning for students, and access to urgent family telehealth care.

Local CRF Matching Reimbursement: Information for LEAs

Details of Approach to CRF Matching Reimbursement

Local Education Agencies (LEAs) are eligible for additional state Coronavirus Relief Fund (CRF) fund matching if they receive funding from their local city or county CRF for TEA's bulk order program. TEA will increase its fund matching by \$1 for every \$1 of local CRF that LEAs receive, up to a maximum of 25% of the expenditure approved and allocated by TEA (based on number of economically disadvantaged students). This matching reimbursement will be executed per the details below.

Examples of CRF matching reimbursement allocations (Figures illustrative)

District A receives no match from local CRF	District B receives 10% match from local CRF	District C receives 25% match from local CRF

Key information about local CRF matching reimbursement process

October 1st Deadline to submit requests for CRF matching reimbursement	LEAs must submit required documentation (see below) by October 1st to be considered for local CRF matching reimbursement and will be reimbursed on a rolling basis. ¹
--	--

Process for LEA submission for Local CRF Matching Reimbursement

To submit documentation of any local CRF that has been received, an LEA will provide TEA a completed CRF Reimbursement Application (to be provided) and accompanying documentation that states:

- ▷ Date of allocation from city or county
- ▷ Amount of allocation
- ▷ Purpose of grant (should say TEA bulk order)

The standard application and details of accompanying documentation requirements will be communicated the week of 8/17/2020. Please email customerservice@teabulkorder.com if you have any questions regarding this process.

Note on CARES ESSER Funds

The state has implemented a local matching requirement to this program in that the LEA must pay for an applicable percentage of the total costs of the program. This requires other fund sources available to the LEA to be used to pay for the remaining percentage of the program. This is not an in-kind match.

The LEA may use its CARES Act ESSER Grant allocation, TIMA, and other local sources to be approved later by TEA, in addition to other state and local funding to pay the LEA portion of this program and therefore split the total cost of the connectivity equipment between this program and its ESSER Grant.

LEA local documentation must be maintained to document 1) the percentage paid from the ESSER Grant, 2) inventory records and other appropriate safeguards to protect the equipment are in place, and 3) appropriate internal controls are being implemented.

¹ In the event all \$200M of state funds is expended the local CRF match will be awarded on a first come first serve basis.

PROGRAM GUIDELINES

Introduction to the Program Guidelines

TEA, as the pass-through entity¹, is the grantee² from the U.S. Department of Education (USDE) and TEA awards subgrants to non-federal entities³ such as local educational agencies (LEAs), including school districts, charter schools, and education service centers, and to a lesser degree institutions of higher education (IHEs), and nonprofit organizations (NPOs) who are the agency's subgrantees⁴. These guidelines apply to all subgrantees of TEA, regardless of whether referenced herein as subgrantee or grantee. For purposes of this document, TEA may use the terms grantee and subgrantee synonymously for its subrecipients.

This part of the request for application (RFA), Program Guidelines, is to be used in conjunction with the General and Fiscal Guidelines and any application instructions. The Standard Application System (SAS) consists of Application Part 1 (PDF – narrative schedules) and Application Part 2 (Excel - budget schedules) to be completed in order for the applicant to be eligible for funding.

For applicants selected for funding, all guidelines and instructions will be incorporated by reference into the Notice of Grant Award (NOGA).

Reference to the General and Fiscal Guidelines

The Program Guidelines provide information specifically relevant to this grant program. The General and Fiscal Guidelines provide information relevant to all TEA grant programs. Throughout the Program Guidelines, cross-references are given to applicable sections of the General and Fiscal Guidelines. It is critical that you review all referenced sections of the General and Fiscal Guidelines when preparing your application.

The term "grantee" does not include any secondary recipients, such as subgrantees and contractors that may receive funds from a grantee. (34 CFR 77)

³ Non-federal entity is defined as a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient. (2 CFR 200.69)

PROGRAM GUIDELINES

Grant at a Glance

This section provides detailed information about the grant program.

Program Purpose, Goals, and Objectives

The purpose of the Remote Learning Operation Connectivity-CV19 grant is to support Texas LEA purchases of eLearning devices and home internet solutions to enable the remote learning of students during the COVID-19 pandemic. Bulk purchases will require a local match, either from LEA funds or from local Coronavirus Relief Funds (CRF), as defined by TEA. This local match requirement may be waived by TEA in cases of significant hardship.

Eligible Applicants

See the [General and Fiscal Guidelines](#), Eligibility Requirements.

Region 4 Education Service Center is the only eligible applicant for this grant.

Shared Services Arrangement

See the [General and Fiscal Guidelines](#), Shared Services Arrangements.

Shared services arrangements (SSAs) are not allowed.

Cost Share or Matching Requirement

See the [General and Fiscal Guidelines](#), Cost Share/Match Requirement.

There is no cost share or matching requirement imposed on Region 4 Education Service Center for this grant program. Per the Program Purpose, Goals, and Objectives stated above, LEAs who benefit from bulk purchases may be required to match, either from LEA funds or from local CRF funds.

Application Requirements and Assurances

This section identifies the two types of requirements in which applicants must comply to be eligible for funding:

- Statutory requirements (requirements defined in the authorizing statute)
- TEA program requirements (requirements defined by TEA program staff)

Statutory Requirements

See the [General and Fiscal Guidelines](#), Statutory Requirements.

Per Section 22.0834 of the Texas Education Code (TEC), any person offered employment by any entity that contracts with TEA or receives grant funds administered by TEA (i.e., a grantee or subgrantee) is subject to the fingerprinting requirement. TEA is prohibited from awarding grant funds to any entity, including nonprofit organizations, that fails to comply with this requirement. For details, refer to the [General and Fiscal Guidelines](#), Fingerprinting Requirement.

The following requirements are defined in the statute that authorizes this program. The applicant must comply with each of these requirements in the application to be considered for funding:

1. Necessary expenditures must have been incurred due to COVID-19 pandemic, defined as actions taken to respond to the public health emergency which may include expenditures to respond directly to the emergency, or to second-order effects of the emergency.
2. Allowable costs cannot have been accounted for in the most recently approved budget as of March 27, 2020, defined as (a) the cost cannot lawfully be funded using a line item, allotment, or allocation within that budget or (b) the cost is for a substantially different use from any expected use of funds in such a line item, allotment, or allocation; without taking into account subsequent supplemental appropriations enacted or other budgetary adjustments made by that government in response to the COVID-19 public health emergency.
3. Allowable costs must be incurred May 21, 2020, through December 30, 2020, defined as when the entity has expended funds to cover the allowable cost.
