RE: GL Addendum – Drone Insurance

Last year, Collin County awarded its General Liability policies to USI (OneBeacon), as their offerings most closely matched the County's needs. These policies are being recommended for renewal on the September 14, 2020 Commissioners' Court agenda.

The Sheriff's Office has a drone which may be used for law enforcement purposes. Previously they did not have operators, however this year we became aware they now have 5 qualified drone operators. Liability insurance to protect the County against bodily injury or property damage that may result from ownership, maintenance or operation of the drone is recommended.

USI has offered coverage of \$1M combined bodily injury and property damage at a premium rate of \$843.00. I recommend adding Drone Insurance to the USI package. This is an addendum to the recommended renewal from USI as presented on the September 14, 2020 court.

The new policy will be in effect from October 1, 2020 to September 30, 2021 and will be part of the overall General Liability package with USI (OneBeacon). The premium will be issued from account number 5501-03020-0018-41-30-0000-615905.
