Re: Psychological Services Contract Extension, RFP: 2017-287

The Collin County Juvenile Probation Department currently contracts for Spartan Consulting for psychological assessments to assist the agency and juvenile court with judicial dispositions, treatment and supervision planning, and pre-employment evaluation for new staff. The department has been pleased with the performance of the current vendor and acting through the Collin County Juvenile Board, has elected to extend the contract for one (1) year, from 10/01/2020 through 09/30/2021.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
