Re: Redesignation of Private Road Park Ln as Park Meadows Dr

Pursuant to the Collin County Road Designation Policy, Court Order No. 93-808-07-12 Section B, the adjoining property owners have petitioned the Court, and there are currently no residents.

The Park Meadows plat was approved on December 8, 1995 but the road was not built, therefore it was not mapped for 9-1-1 routing. The road is being built this year – in the Nevada, 75173 mail delivery area.

The road name “Park Dr” is an established road in the City of Josephine, which is also in Nevada, 75173. Collin County 9-1-1 and the USPS policy prohibit the duplication of a road name even if combined with a different road type.

I respectfully request the following Private Road designation be approved by Commissioners Court:

Redesignate: PARK LN as PARK MEADOWS DR

No existing addresses will be affected.

Mapgrid pages: 5M2 and 5N3

The new road sign to be at the intersection with FM 1778 will be provided by the property owners.

Collin County Engineering staff will be present if any procedural questions on this request.
