TO: Commissioners' Court

FROM: Jason Browning  
Fire Marshal/Emergency Manager

RE: CARES funding: Collin College

Honorable Court,

Collin College is requesting CARES funding for the purchase of PPE to support Fire and EMS training. This funding will be used for the purchase of sanitizer, gloves, masks, protective eyewear and UV sterilization units. The requested amount of funding for both Fire and EMS is \$35,436.64.

I respectfully ask the Commissioners' Court to consider and approve the utilization of CARES funding for Collin College to support the PPE needs of their Fire and EMS training facilities.
