Re: Fannin County ILA

Public Works requests Commissioners Court's consideration and approval of the attached interlocal agreement with Fannin County.

Historically, Collin and Fannin counties have honored verbal agreements regarding some mutual boundary roads Collin County shares with Fannin County. The agreements stipulated maintenance responsibilities to avoid duplicating effort and improve efficiency. In particular, Collin County will continue to maintain CR 633 and CR 676 while Fannin County reciprocates with CR 635.

If ratified, the one year agreement will automatically renew annually unless either County nullifies the accord at least 60 days from expiration.
