Subject: Position

Rachel,

Our Clerk II, Barbara Greathouse, has accepted a position with the District Clerk's Office. At this time I would like to under fill the position by advertising and hiring a Clerk I.

The Clerk II position requires someone with experience and legal knowledge. Since we will be merging after the first of the year, I believe that it is critical to give Judge Missildine the opportunity to make the decision on who should be put into the Clerk II position. We still need a new Clerk because of workload, therefore we are asking to under fill at this time.

Thank you.
