Subject: Contract Amendment Request to Add Test to EST, Inc. Rate Sheet

The Engineering Department is preparing to start construction on The Frontier Parkway Project. EST will be the materials testing and bridge inspection consultant for the project. In preparing the scope and fee for the project, EST noticed that we were missing a test needed for the bridge inspection called, Triaxial Test (TEX-177-E) from the rate sheet.

REQUEST:

We respectfully request a contract amendment to add the above mentioned test to the rate sheet for EST, Inc.
