

To: Texas Regional and Local Public Health Entity Leaders, Texas Regional and Local Lead Epidemiologists, Texas Local Health Authorities

Dear Texas Public Health Partners,

The Texas Department of State Health Services (DSHS) is currently conducting a COVID-19 vaccine provider recruitment initiative.

DSHS is dedicated to maintaining transparency in the process. As of December 2, 2020, at 5PM CST, DSHS has successfully enrolled **4,372** (▲ 523) COVID-19 vaccination providers. For a breakdown of providers by DSHS Public Health Region and county, please visit our provider listing [here](#).

Please use this information to aid in provider recruitment and vaccine planning.

Thank you.

Antonio Aragon
Immunization Unit Director
Texas Department of State Health Services
