TO Commissioners' Court
 FROM Jon Kleinheksel 
 RE Award Vehicles, Public Safety-Sheriff CVE
 Contract No. 2021-114

Public Works recommends award of two Ford F150 Responders for the Sheriff to Caldwell Country Ford dba Rockdale County Ford. This award is based upon available/in stock units from the vendors solicited. Ford Motor Company ceased production of the 2020 model F150s in August and will not begin production of the 2021 models until sometime in the spring of 2021. Vendors do not have access to pricing for the new 2021 models, and therefore can only offer to sell from vehicles they currently have in stock.

Therefore, this recommendation is based upon consideration of the three responses received:

Silsbee Ford	No bid; no units available	
Rockdale Country Ford	Buyboard #601-19	\$114,219.00
Holiday Ford	No bid; no units available	

In order to expedite replacement of these trucks we recommend acceptance of the offer from Rockdale Country Ford for in-stock units.

The purchase of these trucks and associated funding was approved in the FY2021 budget.
