#### **4.0 EVALUATION CRITERIA AND FACTORS**

- 4.1 The award of the contract shall be made to the responsible proposer whose proposal is determined to be the best evaluated offer resulting from negotiation, taking into consideration the relative importance of price and other factors set forth in the Request for Proposal (RFP) in accordance with Vernon's Texas Code Annotated, Local Government 262.030.

The Evaluation Committee will review all proposals received by the closing date and time as part of a documented evaluation process. For each decision point in the process, the County will evaluate proposers according to specific criteria and will elevate a certain number of proposers to compete against each other.

The County will use a competitive process based upon "selection levels". The County recognizes that if a proposer fails to meet expectations during any part of the process, it reserves the right to proceed with the remaining proposers or to elevate a proposer that was not elevated before. The selection levels are described in the following sections.

#### **LEVEL 1 – CONFORMANCE WITH MANDATORY REQUIREMENTS**

The first part of the elevation process is to validate the completeness of the proposal and ensure that all the RFP guidelines and submittal requirements are met. At the County's discretion, proposers may be contacted to submit clarifications or additional information within two (2) business days. Criteria assessed during Level 1:

- Conformance with RFP guidelines and submittal requirements.

#### **LEVEL 2 – DETAILED PROPOSAL ASSESSMENT**

The Evaluation Committee will conduct a detailed assessment of all proposals elevated to this level. Proposers elevated to Level 2 may be asked to respond in writing to issues and questions raised by the County, as well as any other cost and implementation planning considerations in the proposal. Criteria evaluated in Level 2:

<b>Points</b>	<b>Evaluation Criteria</b>
<b>25</b>	Firm Overview: Proposer's qualifications, including licenses and certifications, and documented experience and accomplishments in providing similar services. (Section 6.4, 6.5.7)
<b>20</b>	Report: Thoroughness and ease of understanding of proposer's sample report. (Section 6.5.6)
<b>15</b>	Strategy: How well the proposed solution meets County's needs and requirements. (Section 6.5.1 - 6.5.3, 6.5.7)
<b>10</b>	Targeted Populations: How well the proposed solution reaches targeted populations.

	(Section 6.5.5)
<b>70</b>	<b>Total Points</b>

It is anticipated that the Evaluation Committee will elevate proposals scoring at least 49 points (70%) to Level 3.

### LEVEL 3 – PRICING

Proposers who are elevated to Level 3 will have their pricing compared and evaluated.

<b>Points</b>	<b>Evaluation Criteria</b>
<b>30</b>	Cost for Services: Price per impression based on proposed reach. (Section 6.5.4, 6.6)

### LEVEL 4 – BEST AND FINAL OFFER

Proposers who are susceptible of receiving award may be elevated to Level 4 for Best and Final Offer. Proposers will be asked to respond in writing to issues and questions raised by the County, as well as any other cost and implementation planning considerations in the proposal, and may be invited to present their responses on-site. Proposals may be reevaluated based upon criteria in Level 2 and/or 3.

Based on the result of the Best and Final Offer evaluation, a single proposer will be identified as the finalist for contract negotiations. If a contract cannot be reached after a period of time deemed reasonable by the County, it reserves the right to contact any of the other proposers who have submitted bids and enter into negotiations with them.

No proposer whose proposal is accepted shall (a) substitute any subcontractor, or (b) permit a subcontract to be voluntarily assigned or transferred or allow it to be performed by anyone other than the original subcontractor listed in the original proposal without approval in writing from the Collin County Purchasing Department.

The successful proposer further agrees that Collin County and its agents, servants and employees shall not be liable for any loss or damage resulting from personal injury, physical loss, harassment of or discrimination against employee or other violations of the provisions of this contract occasioned by the acts or omissions of the successful proposer’s subcontractors, their agents or employees. ## Current Local Economics

### Industry & Occupation

From 2010 to 2019 there were more than 202,000 jobs added in Collin county alone, to the civilian labor force here, a 26% increase that outpaced the county's population growth for the same period. The county's **unemployment rate** in December 2019 came in at **2.7 percent**, almost a full point lower than the state's number for that time period, according to the Texas Workforce Commission. More current rates are available from the BLS or the TWC.

The U.S. Census Bureau's American Community Survey (ACS) for Collin County also shows:

- For the labor force in 2019 (more than **570,000**, a.k.a. the 16 and older crowd):
  - Education services, healthcare and social assistance industries employed almost 20 percent;
  - Professional, scientific, and administrative and waste management services industries made up 16.4 percent;
  - Of the employed population, 84 percent were private wage and salary workers; 10 percent were government workers, and 5.8 percent self-employed.

### Workforce Education

The education level of the county's workforce just about doubles state and U.S. averages for degreed workers:

- **51** percent of those 25 and older had a bachelor's degree or higher, far outpacing the state and national figure that hover between 26 and 28 percent.
- More than 9 out of 10 workers 25 and older have at least a high school diploma.

### Getting to Work

The ACS determined that the average commute to work for a Collin County resident is **28.7** minutes. For those less fortunate with their daily commutes, especially those heading to downtown Dallas at the crack of dawn, voters here passed a \$235.6 million bond package in November 2007 to widen and

improve our roadways, plus regional transportation funds from the Sam Rayburn Tollway generated another \$900 million. In November 2018, voters passed a \$750 million bond package that earmarked:

- \$600 million for high-speed roadways;
- \$140 million for arterial roadways that feed into the highway system; and,
- \$10 million for open space and parks projects.

For plans far in the future, take a look at Collin County's Outer Loop Project.

Meanwhile, the ACS figures go on to point out that:

- More than eight out of 10 of county residents drive alone to work, which is higher than state or U.S. percentages;
- Collin County residents work at home (7.4%) at a much higher rate than the state average; and,
- County residents' mean morning work commute travel time increased slightly from 2010-2017, and remained a few minutes longer than national or state averages

### Paychecks & Such

Collin County residents' paychecks also compare favorably to the rest of the country:

- County residents' 2017 annual per capita income (**\$41,609**) is more than 25 percent higher than the national rate;
- Our median *family* income here in 2017 (**\$105,954**) is about 33 percent higher than the U.S. median;
- The 2017 county median *household* income was estimated at **\$90,124**;
- Less than **one percent** of county householdss were estimated to have received public cash assistance in 2017; and,
- An estimated **6.9 percent of individuals** here were living below the *Federal Poverty Level* in 2017.

### Housing and Households

Collin County had a 94-percent occupancy rate for the **320,000-plus** housing units here:

- Two-thirds of occupied housing are owner-occupied, with 32 percent rented out;
- Traditional married-couple families make up 60 percent of total households;
- The median monthly housing cost for an owner with a mortgage is \$1,884 (\$725 for owners without a mortgage) and \$1,119 a month for the median rent; and,
- Two thirds of these homes - about 117,000 - were built in 2000 or later
