

STATE OF TEXAS §

COUNTY OF COLLIN §

I Paul Rosales have been informed by Stacey Kemp, Collin County Clerk that she has decided to supplement my county-paid salary in the base amount of \$5,000 plus federal income taxes and retirement for a total of \$6,082.50 inclusive. I understand that this salary supplement is in addition to my regular county salary and is not paid by Collin County, but by the County Clerk from her records management fund.

I understand that the salary supplement I am to receive is paid to me at the discretion of the County Clerk and may be withdrawn, reduced, adjusted, discontinued, and in other ways changed or modified by the County Clerk at her sole and absolute discretion. I understand that the offer, payment, receipt, or acceptance of the salary supplement here described does not create any entitlement, claim, or any other right for me to, or against, any county funds not appropriated to my salary by the vote of the Commissioners Court of Collin County, or against any funds or money of the County Clerk.

This salary supplement referred to on this affidavit will be paid on the same schedule as my regular salary effective January 25, 2021 through and including December 31, 2021. This supplement will appear as a county salary increase only for accounting purposes and to facilitate the payment of the supplement here described while meeting all government rules, regulations, and statutes relating to the payment of salaries in general.

My signature indicates my agreement and understanding to all of the foregoing. I understand that if I did not so understand or agree, I would not be paid the salary supplement described herein.

Paul Rosales
