Date: December 29, 2020
Re: New Mileage Rate as of January 1, 2021

This is to notify you of the mileage rate effective January 1, 2021. The rate has decreased from 57.5 cents per mile to 56 cents per mile. As per the Travel Policy the mileage rate is the optional standard mileage rate set by the IRS to calculate the costs of operating a vehicle for business purposes, including travel or business purposes.
