 3. All other requests for oiling in unincorporated areas of the County shall be at the requestor's expense. Collin County shall be reimbursed for the cost of materials; requestor to call County for cost estimate based on current price. Requests for roadway oiling during the warmer months shall be made no later than September 30 of the year prior.
- D. Temporary Roadway Closures
- Requests for Temporary Road Closures shall be made as far in advance as possible, with minimum submittal dates listed below. Late requests may be denied due to not having enough time to evaluate impacts.

1. Non-Emergency Temporary Road Closure Request: Complete and submit the County's Roadway Closure Request Form at least 72 hours of the proposed closure.  2. Brush cutting is typically performed during dormant fall and winter (non- growth) months:
 - a. Tree and limb removal by use of hydraulic boom mowers will serve to minimize vehicle damage from overhanging limbs/brush and improve vehicle/driver line of sight. Branches over the roadway will be trimmed to provide 18' of vertical

clearance, while branches outside the roadway but within the right of way will be trimmed to a height of 14' vertical clearance.

- b. Hand cutting and pruning is completed as manpower and scheduling permit. Requests for hand cutting are handled and approved on a case by case basis.
3. Brush and vegetation will be cut anywhere necessary to maintain adequate line of sight on roadways.

F. Herbicide Application

 - b. Where herbicide treatment of facility obstructions poses a liability to County maintenance.
 - c. Line of sight and visibility issues.
 - d. Any other condition as deemed by the Director of Public Works.

G. Inspections

1. Inspection of County-maintained asphalt and concrete roadways will be conducted on a schedule to be determined by the Director of Public Works.

A. Right of Way

1. Right of way shall be donated by transfer of title, easement, or purchased through negotiations and/or eminent domain proceedings. The requested right of way must be acquired prior to the commencement of the project.
 2. The minimum right of way width for road projects performed by Public Works shall be 40 ft. The County may require right of way wider than the minimum where it is determined that the existing width and drainage are not adequate for roadway improvements.
 3. The required right of way width for subdivision roadways shall be as shown in the Collin County Subdivision Regulations.
 4. County right of way shall be kept clear of trees and brush. Collin County has the right to exercise a right of way easement to prevent the planting of trees and shrubs in the right of way and to remove or cause to be removed trees or shrubs growing there by Court Order 2010-722-09-13.
 5. An easement will establish the right of the County to enter onto a property in order to perform necessary work but shall not establish the responsibility to do so.
 6. No work may occur in County right of way or easement without obtaining a permit from the County prior to beginning work. See Collin County Right of Way Use Policy for more information.
- B. Temporary Access Agreement
1. The County may propose to enter into a Temporary Access Agreement (TAA) with the Owner in the event that private property will be needed for roadway improvements. A TAA could grant the County the ability to use private property for the following:
 - a. Parking of County vehicles or equipment
 - b. Stockpile, burn, or chip debris or dirt
 - c. Any other access as approved by the Director of Public Works
 2. TAA's that are required in order to place permanent improvements on private property require Commissioners Court approval.
 3. The County shall, at its expense, restore private property to substantially the same appearance as previously existed following the expiration of the TAA.
 4. A TAA may be used in lieu of a permanent easement to perform minimally intrusive work as part of a right of way issue.
- C. Reimbursement by Property Owners

1. Upon Commissioners Court approval of roadway maintenance or improvements requiring reimbursement from the adjacent property owner, the required amount of money shall be placed in a non-interest bearing escrow account at a bank located within Collin County.
2. Reimbursement amount may include the cost involved for surveying, preparation of Deed or Easement, re-location of fences, facilities (if in a dedicated easement), culverts or other existing improvements. When property owners are required to incur total cost for the upgrade of a roadway, the above cost shall not be borne by Collin County.

D. Fencing/Gates

1. Fences installed inside the right of way will be removed at Owner's expense.
2. Right of way obtained as required for roadway improvements may require an existing fence to be removed. The existing fence will be removed and replaced with a fence of the same size and material at County expense. The new fence will be placed at the property line adjacent to the roadway frontage. Existing gates will be reused and re-hung.
3. Reimbursement for any changes to an existing fence is subject to approval by Director of Public Works and authorization by Commissioners Court.
4. All negotiations regarding fence replacement must be completed prior to right of way easement return to Public Works for recording at the Collin County Clerk's Office.
5. Temporary electric fencing, if warranted, will be provided, installed, maintained, and removed by Collin County as related to any roadway improvement project.

E. Mail Boxes

1. Mailboxes and their installation in County right of way shall meet specifications found in both the Texas Department of Transportation Regulations and United States Postal Service Regulations. Further information can be found here:
<https://www.txdot.gov/inside-txdot/division/maintenance/mailboxes.html>
<https://www.usps.com/manage/mailboxes.htm>
2. Installation of brick/masonry/ornamental metal or other mailboxes that do not conform to these regulations are prohibited inside the right of way.
3. In the event that an existing mailbox is damaged by Public Works crews, the County will replace the damaged mailbox with a standard United States Postal Service approved mailbox on a light weight bendable or break-away pole, regardless of the original construction design.
4. Roadway maintenance or improvements may require the relocation of existing mailboxes within the County right of way.

- F. Roadway Drainage and Driveway Culverts
Refer to Collin County Drainage Design Manual.

1.07 MISCELLANEOUS

A. Signs

1. For installation of regulatory, warning signs and other traffic control devices, Public Works utilizes the most recently adopted versions of the FHWA Manual on Uniform Traffic Control Devices (MUTCD) and the TxDOT Texas Manual on Uniform Traffic Control Devices (TMUTCD).

1. Requests for guardrail installation to be performed by the County are considered on a case-by-case basis. Determining factors for installation depend upon traffic studies, evaluation of the area requested, and availability of applicable warning signs in lieu of guardrail.

D. Speed Bumps

1. Speed bumps are not allowed on any County roadway.

E. Parking

1. Parking is not allowed within County right of way unless the roadway is designed to include a parking lane.
