

Office of the Governor, Public Safety Office Criminal Justice Division Funding Announcement: *Specialty Courts Grant Program, FY2022*

Purpose

The purpose of this announcement is to solicit applications for specialty court programs as defined in Chapters 121 through 129 of the Texas Government Code as well as the continuation of a training and technical assistance resource center.

Available Funding

State funds are authorized under the Texas General Appropriations Act, Article I, Rider 12 for Trusteed Programs within the Office of the Governor. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Eligible Organizations

Applications may be submitted by county governments affiliated with a specialty court authorized under Chapters 121 through 129 of the Texas Government Code. Applications may also be submitted by a public institution of higher education for the continuation of a training and technical assistance resource center.

Existing specialty court programs that do not currently receive CJD funding are also eligible to apply but must annotate in their application how the additional funds will expand the program beyond its current capacity. Priority for applications received from new applicants may be given to courts operating in jurisdictions without a currently operational court or based on demonstrated need.

5. Legal assistance;

Selection Process

Application Screening: The Office of the Governor will screen all applications to ensure that they meet the requirements included in the funding announcement. Applications that meet those requirements will move forward to the merit review phase.

Peer/Merit Review: The Office of the Governor will convene a panel, to include the Specialty Courts Advisory Council (SCAC), to review and score applications in an effort to prioritize funding. The merit review panel will assess and score each application on a 100-point scale, and then report its findings to the Office of the Governor. For adult drug courts (including alcohol/DWI courts), adherence to the *Adult Drug Court Best Practice Standards* will be an important factor in decisions. PSO will generally not fund projects that serve primarily low-risk participants, as determined by a TRAS assessment.

Final Decisions: The Office of the Governor will consider rankings along with other factors and make all final funding decisions. Other factors may include cost effectiveness, overall funds availability, PSO or state government priorities and strategies, legislative directives, need, geographic distribution, balance of focuses and approaches, or other relevant factors.

The Office of the Governor may not fund all applications or may only award part of the amount requested. In the event that funding requests exceed available funds, the Office of the Governor may revise projects to address a more limited focus.
