Re: Grant Application for Juvenile Mental Health Court

MEMORANDUM

The Juvenile Probation Department seeks to apply for a grant from the Governor's Criminal Justice Division for Specialty Courts. Grant funding will be used to support operations for the Juvenile Probation Mental Health Court which will provide case management, community-based treatment, and support services in partnership with the County's designated mental health authority for program participants suffering with mental illness. The grant request is for \$204,905.20 and requires no county match.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
