Re: Grant Application County Innovations to Address Commercial Sexual
Exploitation

MEMORANDUM

The Juvenile Probation Department seeks to apply for a grant through the Office of the Governor, Criminal Justice Division. The grant request is for \$263,343.00 and will be used to support operations for the department's innovative program for victims of human trafficking. The program is a beta, a first of its kind called the CTD Program (CSE-IT, TREAT IT, DIVERT IT), designed for early identification of victims and kids who are high-risk for trafficking, to then provide them and their families with intensive case-management and community-based services for trauma associated with victimization, and to ultimately divert these victims away from the traditional criminal justice system all together. There is no county match required for this award.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
