Heather Altman  
Operations Director  
Outlaw Nation

Dear Heather,

Based upon responses provided in your Mass Gathering Permit the following conditions must be met to satisfy 2009 International Fire Code that has been adopted by Collin County.

1. If generator power is being used all plugs must be GFCI protected. Cables/wiring must be covered to prevent trip hazards and mitigate electrical shock hazards. One fire extinguisher shall be provided at each generator.
2. Tents over 400 sq. ft. must be permitted. Any tent used for cooking or any heat producing activity, regardless of size, must be permitted. All tents, regardless of permit must be secured to mitigate the effects of wind. Three feet clear space must be provided between tents. Fire extinguishers, size 2A10BC, must be provided at each tent containing heat producing activities. If frying is occurring provide an additional Class K Extinguisher. For all other tents Extinguishers must be spaced at 75' intervals.
3. Location of all fuels must be clearly identified and protected from physical damage and tampering.
4. At the Boat, RV and Car show locations all batteries must be disconnect while displayed to prevent the ignition of any motors. Display lighting, such as lighting inside a RV or effect lighting will be allowed.

5. Promotor must provide adequate staff facilitate orderly flow of vehicular traffic to include ingress, egress, and parking. 5 certified crowd managers shall be provided. Promoter must also provide adequate staff to ensure an accurate count of all attendees at any time. Law Enforcement, Fire Personnel and County Staff will be authorized to ask for attendance numbers at any time during the event.
6. A standby ambulance shall be provided by the Promoter.
7. Fire Inspection personnel shall be provided a minimum of 2 hours prior to initial gate opening to conduct inspections of the event for compliance with fire code.

I understand and agree to the conditions outlined above.

*Heather Altman*
