INDEPENDENT AUDITOR'S REPORT

Collin County Community
Supervision and Corrections Department
Collin County, Texas

We have audited the accompanying financial statements of the Collin County Community Supervision and Corrections Department (CSCD), which comprise the combined statement of financial position as of August 31, 2020, the combined statement of revenue, expenditures and changes in fund balance, the combining statement of revenues, expenditures and changes in fund balance – all diversion funds, the individual statements of revenue, expenditures and changes in fund balance – budget, actual and variance for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 24, 2021.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the provisions of the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is significant and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, combined statement of financial position as of August 31, 2020, the combined statement of revenue, expenditures and changes in fund balance, the combining statement of revenues, expenditures and changes in fund balance - all diversion funds, the individual statements of revenue, expenditures and changes in fund balance - budget, actual and variance for the year ended August 31, 2020, and the related notes to the financial statements of Collin County CSCD, in accordance with the financial reporting provisions of the TDCJ-CJAD as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared based on the financial reporting provisions of the TDCJ-CJAD, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the TDCJ-CJAD. Our opinion is not modified with respect to that matter.

Emphasis of Matter

As discussed in Note 1, the financial statements present the operations of the Collin County CSCD only, and are not intended to present fairly the financial position of Collin County, Texas and the results of its operations in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Collin County CSCD's basic financial statements. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements. The Schedules of Differences Between Audit Report and CSCD Reports as Submitted to TDCJ-CJAD are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 24, 2021 on our consideration of the Collin County CSCD's internal control over financial reporting and on our tests of its compliance with certain provisions of laws and regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Collin County CSCD's internal control over financial reporting and compliance.

Restriction of Use

This report is intended solely for the information and use of the management of Collin County CSCD, others within the organization, and the Texas Department of Criminal Justice - Community Justice Assistance Division and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The accompanying financial statements include the revenue of the Collin County Community Supervision and Corrections Department (CSCD) related to the receipt of funds administered by the TDCJ-CJAD from state appropriations for the Basic Supervision Fund, Community Corrections funds, Diversion Program Grant Funds, Treatment Alternative to Incarceration Program Grant Funds, local fees collected for the use of the CSCD, and the expenditures of those funds.

The Collin County Community Supervision and Corrections Department, a special purpose district of State government, was organized to provide certain adult probation services to judicial districts. The CSCD is not a department of the administrative county, nor is it an agency of the State of Texas.

Basis of Accounting

Since the Department receives funding from state government, it must comply with the requirements of the State. Therefore, the financial statements were prepared using the basis of accounting prescribed by the TDCJ-CJAD, a comprehensive basis of accounting other than generally accepted accounting principles.

Basis of accounting refers to the time at which revenues and expenditures are recognized in the accounts and reported in the statements. The accounts of Collin County CSCD are organized on the basis of fund accounting, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. Resources are allocated to and accounted for in a fund based upon the source of the funds and the purposes for which they may be spent and the means by which the spending activities are controlled for the specific activities in accordance with laws, regulations, or other restrictions. Revenues and expenditures of Collin County CSCD are accounted for using the modified accrual basis of accounting throughout the entire fiscal year.

The modified accrual basis of accounting is followed in that revenues are recorded when susceptible to accrual; i.e., earned, measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities for the current period. Revenues received by October 31 for financial activity performed by August 31 are considered available. Also purchases for which the commitment has been established by August 31 are considered liabilities regardless of whether possession of these goods has been received by August 31 provided that the liability purchase is received and is paid for by October 31. Exception to this method of accounting is the recording of refunds to the State as reductions of Fund Balance.

Funds of the Collin County CSCD are grouped into the agency fund type for the purpose of operation on the Collin County, Texas accounting system. Accounting agency funds are accounts established for deposit and disbursement of funds which are not controlled through the Collin County, Texas budget process and are held in purely a custodial capacity.

Budgets (Accounting and Legal Compliance)

Pursuant to Government Code, Section 76.004 and 76.002, the budgets governing the funding to the programs are prepared biennially, then approved by the district judges and the criminal court-at-law judges with jurisdiction over the department and by the TDCJ-CJAD.

Only budget adjustment requests, at year end, received by September 30, will be reviewed and approved/disapproved by TDCJ-CJAD. TDCJ-CJAD will not accept any budget adjustments after September 30 for the previous fiscal year. Only budget adjustments approved by TDCJ-CJAD are referred to in performing the financial audit.

2. ONE-TIME/SUPPLEMENTAL PAYMENTS

The Department did not receive any one-time/supplemental payments in fiscal year 2020.

3. DEOBLIGATIONS

The Department did not deobligate any funds in fiscal year 2020.

6. REFUNDS

The Department did not issue any refunds in fiscal year 2020.

7. CASH, COLLECTIONS, CHANGE FUND, PETTY CASH AND INVESTMENTS

Collection or clearing accounts are trust funds and must be covered by pledged collateral to cover the estimated highest daily balance of funds operated in conjunction with or through the county depository by the CSCD.

During the fiscal year audited: The CSCD's state aid and net funds (revenues) received were deposited and held, and collection accounts' remaining net funds (revenues) were transferred into a special fund of the county treasury, on or before the next regular business day, or on or before the fifth business day after the day on which the money was received. All the CSCD's state aid and net funds (revenues) received were held, deposited, disbursed, invested, and otherwise cared for by the County on behalf of the CSCD as the CSCD directed (Government Code 509.011(c) and Local Government Code 113.022 and 140.003 (f)).

CSCD employees who have access to, maintain, and administer public funds are covered by a surety bond.

The Department does not maintain any petty cash funds or change funds.

Idle funds are invested only within the depository of the County in a manner that protects the integrity of the principal and guarantees no loss of principal to the CSCD.

8. EXCESS OF EXPENDITURES OVER BUDGETS IN INDIVIDUAL PROGRAMS

The Department had no excess of expenditures over the approved line item budget amounts in any program.

The Department is contingently liable in respect to lawsuits and other claims in the ordinary course of its operations. The potential settlement (if any) of such contingencies under the budgetary process would require appropriation of revenues yet to be realized and in the opinion of Department management would not materially affect the financial position of the Department at August 31, 2020.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Collin County Community
Supervision and Corrections Department
Collin County, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Collin County Community Supervision and Corrections Department (CSCD) as of and for the year ended August 31, 2020, and the related notes to the financial statements, which collectively comprise Collin County Community Supervision and Corrections Department's basic financial statements, and have issued our report thereon dated February 24, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Collin County CSCD's internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Collin County CSCD's internal control. Accordingly, we do not express an opinion on the effectiveness of Collin County CSCD's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Collin County CSCD’s financial statements are free of material misstatement, we performed tests of its compliance with certain provision of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Collin County CSCD’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Collin County CSCD’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the Collin County CSCD, others within the organization, and the Texas Department of Criminal Justice – Community Justice Assistance Division and is not intended to be and should not be used by anyone other than these specified parties.

Basic Supervision can transfer funds to CC, DP, and TAIP. CC can transfer funds to DP and TAIP. Basic Supervision cannot receive funds from any programs unless those programs are returning funds they received from Basic earlier in the fiscal year. Transfers from DP and TAIP can only go to CC if returning funds received from CC earlier in the fiscal year.
