Re: Award IFB: 2021-084
Construction, Road: County Road 317 (Orr Road)

Public Works requests Commissioners' Court consideration and approval to award IFB 2021-084 Construction, Road: County Road 317 (Orr Road) from Stacy Road to South NTMWD Drive to HQS Construction, LLC.

This project has been contemplated for several years and is a joint effort among the County, North Texas Municipal Water District (NTMWD), and the Town of Fairview. NTMWD utilizes the existing Orr Rd to transport their sludge from their sewer treatment plant to a disposal facility. The existing rural county section has deteriorated significantly and this project will reconstruct the old road up to a new, 24 ft. wide, reinforced concrete section that is designed to provide a 30 year life with the intended truck traffic.

On December 17, 2018 Commissioners Court approved an Interlocal Agreement with NTMWD and the Town of Fairview to facilitate this project.

NTMWD is funding 90.5% (\$1,734,138.38), the County will fund 7.2% (\$137,964.59), and the Town of Fairview will fund 2.3% (\$44,072.03).

Should you require additional information, please contact me and I will respond accordingly.
