

June 7, 2021

To: Commissioners Court
From: Tracy Homfeld, PE; Assistant Director of Engineering
Subject: Waterford on the Lake phases 1A & 1B Final Plat

Princeton Holdings, LP, owner and developer of the Waterford on the Lake Subdivision (Collin County Municipal District #4), request Commissioners Court consideration of the attached Final Plats of Waterford on the Lake Phases 1A & 1B.

This development is a Municipal Utility District (MUD) and all the infrastructure will be owned and maintained by the district.

Phase 1A is 24.27 acres consisting of 103 residential lots and 4 HOA lots and Phase 1B is 20.58 acres consisting of 114 residential lots and 4 HOA lots. The lots do not front on the existing public roads, therefore road construction will be required.

The project generally drains from west to east and will outfall directly into the Lake Lavon floodplain.

Water will be supplied to the development by Culleoka Water Supply Company and sanitary sewer will be provided by the City of Princeton. Storm Drains and Sanitary Sewer Plans will meet the standards for the City of Princeton and the roads will meet the County's minimum standards as well as the standards for the City of Princeton. Driveway connections to FM 982 have been reviewed and have received preliminary approval by the Collin County TxDOT area office.

The plat generally meets the County's SUBDIVISION RULES as outlined in Section 1.05 of the Collin County Subdivision Regulations and authorized under Local Government Code (LGC) 232, however the developer will be required to make the necessary technical edits. Those items will be outlined in a detailed punch list to the developer within 10 days following Court's conditional approval and will cite the reference in the County's Subdivision Regulations and LGC.

ACTION

We request Commissioners Court consideration for the approval of the Final Plat for Waterford on the Lake, phases 1A & 1B with the condition that the developer make the necessary technical edits, based on LGC 232.001 and 232.003.
