Re: Reallocating Funds

---

In June 2017, the Collin County Sheriff's Office seized and took possession of a 2005 53 foot, Vanguard Commercial Box Van Trailer. Since then, the trailer has been stored inside the secured area at the Public Works Service Center. County staff has determined this trailer would be useful for storing old tires to comply with TCEQ guidelines and certain Sheriff's Office Equipment. To achieve this, Equipment Services will reimburse the Collin County District Attorney's office \$500 for their share of the Asset Forfeiture expense. The funds are budgeted and available from account 0001-44001-0001-60-30-0000-668704.

Public Works requests Commissioners Court's consideration and approval to recompense the District Attorney to facilitate use of the seized trailer. If you have any questions, please do not hesitate to contact me and I will respond accordingly.
